

YOUR 8 TO 15

We believe God has strategically placed 8 to 15 people in your life so you can share the Good News of Jesus with them. These could be your friends or family members, your coworkers or neighbors, or anyone you interact with regularly. Maybe you're thinking of your child's teacher, the barista you see every morning or even your hairdresser. Ask God to reveal these 8 to 15 people to you, and write their names down here as a reminder to pray for their salvation each day.
